

# ELIJAH KAMANGA

<https://muhorocode.github.io/Portfolio/> | <https://www.linkedin.com/in/elijah-kamanga/>

Full-Stack Software Engineering student with a Bachelor's degree in Business and Information Technology. Currently enrolled at Moringa School, building hands-on experience in modern web technologies including HTML, CSS, JavaScript, React.js, and Python. Experienced in banking operations and IT support, offering a unique blend of technical, analytical, and client-facing skills. Seeking to build secure, user-focused systems that drive real-world impact.

---
